

Membership Requirements & Dues

Certified Members must have earned a Certification in Hypnotherapy from a professional training institution and submit copies of these with the NATH registration coupon or have been practicing hypnotherapy professionally and are willing to submit proof of proficiency in hypnotherapy skills, as per request by the NATH staff. Certified Members use the honor system to obtain 15 professionally related contact hours (CEUs) every year and list these on their renewal form. These may be obtained by reading books, listening to tapes, attending chapter meetings, professional hypnotherapy workshops, and/or hypnotherapy organization's conferences.

Non-Certified Members receive the same benefits as the above except: they do not receive a registration certificate; they aren't listed on the referral directory; and they are not required to submit annual CEUs. Non certified members may upgrade to certified member status once they are certified at no additional charge.

Annual Dues (for either member class).....\$70

Registration & Renewal:

Any professional hypnotherapist may register and pay the first year's dues. Approximately 12 months later, members will have the opportunity to rejoin through the mail. Registration certificates are printed around the 15th day of each month.

Two Year Discount:

You may pay the member dues for one year *and* pay next year's dues now and receive a discount on the second year (see registration coupon).

NATH Is A Member of the Council of Professional Hypnosis Organizations (COPHO)

Founded in 1990, COPHO is a cooperative organization of national and international professional hypnosis organizations who seek to maintain high standards in the hypnotherapy profession, provide leadership in the field, and promote inter-organizational unity.

What Is Transpersonal Hypnotherapy?

Transpersonal hypnotherapy is an orientation that can best be described by defining the word, *transpersonal*—the crossing of mind, body, and spirit or soul. This orientation leads the practitioner into considering a broad scope of interventions that lead to mental, physical or spiritual changes and increased awareness. The transpersonal hypnotherapist allows for client and therapist to address any aspect of the relationship between the mind, body and spirit, and their effects on one another; yet, there is no religious orientation suggested, but instead an unfoldment that makes it possible for clients to explore their relationship to a universal creator and their own unique spiritual walk through human life. One of the primary purposes of NATH and its membership includes educating the public on the higher levels of awareness that hypnosis can bridge one into, in addition to the usual results that are achieved through more traditional clinical hypnotherapy approaches.

Member Benefits and Activities

- Annual Subscription to "The E-Bridge", the quarterly newsletter of NATH, which features articles, benefits, news, and educational development in the field of clinical and transpersonal hypnotherapy.
- Registration Certificate that lets your clients know you are a "Transpersonal Hypnotherapist," practicing with a mind-body-spirit approach.
- Discount on NATH Conferences, several held in the Spring & Fall of each year. These events are worth at least 15 Continuing Education Units (CEUs) each.
- 10% Discount on NATH's Resource Department, a carefully-selected assortment of books and tapes.
- National database registry to include the listing of your practice for incoming NATH referrals.
- Opportunity to form or join regional chapters for networking, camaraderie, and continuing education.
- Liability Insurance for practicing as a "Certified Hypnotherapist." One must be a NATH member to be accepted; refer to the Bridge Newsletter.
